### **INVOCATION (all)**

Loving Creator, we gather here in this time of worship to think about things that matter the most and to offer praise and thanksgiving to you for the blessings of life. We need your guiding hand because our years are a blend of joy and sorrow, and we often find ourselves bewildered by it all. The senseless violence that we hear about every day as well as the pain and heartache so many bear shakes us to the core. Open our hearts and minds to new understandings, renewed hope, and a greater determination to be peacemakers who embrace and care for those in need. In Christ’s holy name. AMEN.
